

# The 5 Senses Worksheets

## The 5 Senses and Body Parts

<b>Sensory Saying</b>	<b>Sensory Word</b>	<b>Body Part</b>
<p>When I look up in the sky. I see a bird with my eye. My eyes are used for seeing day or night. This is using my sense of sight.</p>	<b>Sight</b>	
<p>I hear a sound that may be far or may be near. When I hear this sound I use my ear. My ears are for listening for things all around. This is using my sense of sound.</p>	<b>Sound</b>	
<p>When I pet my cat I feel her fur on my hand. I also feel with my toes like when I walk in sand. I feel with my hands and toes but not as much. This is using my sense of touch.</p>	<b>Touch</b>	
<p>I like to eat certain things, they are so yummy. When I eat I get full and it fills my tummy. When I eat I use my mouth and there is no waste. This is using my sense of taste.</p>	<b>Taste</b>	
<p>I love to pass by the bakery. It makes my nose all wiggly. I sense a sweet aroma that I know so well. This is using my sense of smell.</p>	<b>Smell</b>	

In the worksheet below, match the picture of the body part to the sensory word. Trace the sensory word.

Sight	
Sound	
Smell	
Taste	
Touch
